SP 8400SE

60 ppm

Speed and reliability in equal measure

When you need a robust, high-performance solution, the RICOH SP 8400SE is here to transform your workflow. This A3 60ppm black and white printer is capable of printing the first page in 2.2 seconds and offers multiple finishing options for various business requirements. The SP 8400SE features a Smart Operation Panel with a 10.1-inch tablet-style interface designed to enhance productivity.

Optimise your performance with the RICOH SP 8400SE

At 60ppm, speed meets reliability in a durable design built for constant use

Easy to operate using the intuitive large 10.1-inch touchscreen Smart Operation Panel

Powerful controller provides full speed printing of even the most complex jobs

Versatile and compact with multiple finishing options

Environmentally friendly with lowest TEC value in its class

The perfect all-round package

Fast, powerful and reliable

With an overall print output of 60ppm, this A3 powerhouse features a 2.2 second first print out speed. So if you need something fast, this black and white printer offers reliability to deliver time after time. This makes it perfectly suited to a range of business-critical environments.

Top-class energy efficiency

Eco-friendly features mean you save on costs and increase environmental sustainability without compromising on productivity. With low power consumption, this printer meets strict Blue Angel Mark (BAM) criteria and offers a low overall TEC value, meeting environmental goals and saving you money.

Simple and smooth operation

Our Smart Operation Panel is built to enhance your workflow with smart apps that extend your printer's functionality, and process even the most complex jobs. So you can – via the on-screen browser – access your files stored in the cloud, then view and print them seamlessly.

Boost your productivity

With a large standard paper capacity of 1,200 sheets, and allowing up to 4,700 sheets, the SP 8400SE even supports printing on 300gsm stock. It also includes multiple finishers, a stapleless mode option and an internal-folding unit that doesn't compromise device size.

Benefit the improved usability options of our Smart Operation Panel

- Easy operation with the large operation panel
- Light and quick response
- Simple layout
- Users can operate intuitively
